CONTRACTS MANAGER - KZN North for Project Management Company

This specialist project management consultancy is well respected in the industry both locally and abroad. Due to ongoing and further projects they need someone to work in the Northern KZN area. Projects range from leisure to retail and commercial. Your Degree/Diploma Building/civil/qs with hands on site experience as a Site Agent (min) would be required. They need a stand-alone person who thinks on their feet, can take ownership of a project through to completion.

The sooner you can start the better.

They offer a salary of around R40/50K pm plus benefits

18 month contract possible further prospects as Project Manager

Hope to hear from you soonest. Should you wish me to call, please send me an email with this ad as a reference and we will be in touch.
