

Zimbabwe: Chishawasha Set to Urbanise

Submitted by [AA](#) [1] on 6 October, 2014 - 11:59

[The Herald]Chishawasha Mission is set to be developed into an urban residential area as Roman Catholic Jesuits who are the owners of the land are set to create 7 000 high density and medium density residential stands in the area. It was not made clear as to whether the new settlement will become a suburb of Greater Harare or an independent dormitory authority to the capital city.
