

A City Without Zoning? Phnom Penh, Cambodia's Development Runs Wild

Submitted by [AA](#) [1] on 3 November, 2014 - 10:00

As the capital of Cambodia, Phnom Penh is the fastest growing city in the country with over two million inhabitants. In recent years it has seen unprecedented rates of growth in the economy, population and urbanization, however there is yet to be any regulations to ensure sustainable development.[read more](#) [2]
