

## **678 Green Roofs Counted in Central London - But Are There More?**

Submitted by [AA](#) [1] on 13 November, 2014 - 17:23

A map has been compiled of all the known green roofs in central London, and discovered almost 700 - but there are probably more. Their estimated total area is 175,000 m<sup>2</sup>, equivalent to around 25 football pitches. Viewers are invited to submit others not already logged to make the map more complete.
