

Where Uber Operates and Where it's Banned

Submitted by [AA](#) [1] on 3 January, 2015 - 10:00

Earlier this month, Bloomberg published a map showing where Uber operates and where it's been banned. Uber operates in about 250 cities across the world. But it's being challenged in a lot of them, including Portland, San Francisco, Los Angeles, Toronto, Rio de Janeiro, Paris, Berlin, as well as others.
