

How Detroit's Degrowth Plan Pits Sustainability Against Austerity, Blazing a Path for Other Cities In Crisis to Follow

Submitted by [AA](#) [1] on 19 May, 2015 - 10:00

Detroit is pioneering a path for other cities to follow, as a way out of austerity. After declaring bankruptcy, it's been able to attract investment because its degrowth coalition has clearly articulated a detailed, innovative plan for the city's future based on improving the quality of life for all citizens and sustainable land use.
