PG GROUP SCHOLARSHIP IN ARCHITECTURE 2010 : THE SOUTH AFRICAN INSTITUTE OF ARCHITECTS

Initiated in 1998, this scholarship is made possible through the participation of the [South African Institute of Architects](#) [3] supported by the [PG Group \(Pty\) Ltd](#) [2] and the [South African Council for the Architectural Profession](#) [4]. The scholarship is awarded annually to two students.

University: one 3rd year South African architectural student registered at one of the following institutions: Wits, UCT, Free State, UP, UKZN, NMMU (Department of Architecture). The award is based on 2nd year results and only students who have achieved an average of at least 65% during their 2nd year will be considered. University of Technology: one 4th year South African architectural student registered with one of the following

Institutions: TUT, CPUT, DUT, UJ, NMMU (Department of Architectural Technology). The award will be based on 3rd year results and only students who have achieved an average of at least 65% during their 3rd year will be considered.

Two scholarships will be awarded:

- o University registered student: R20 000
- o University of Technology registered student: R15 000

Architectural Scholarships : PG Group addresses needs of senior students

Published on Architect Africa Online (<http://architectafrica.com>)

The scholarship funds will be deposited in the student's account at the institution of registration.
