

News and Reviews - Prestige car dealership floored

Submitted by [AA](#) [1] on 11 March, 2015 - 11:22

A stand-out feature of the luxurious Mercedes-Benz AMG lounge in Affalterbach, Germany, is the striking, coloured cementitious screed floor. Weber Saint-Gobain in South Africa was commissioned to replicate similar floors at three of the local AMG Performance Centre showrooms - in Century City, Cape Town; Bedfordview, Johannesburg; and Zwartkops, Pretoria. The overall requirement for the floors was... **Broadcast**
