

City of Eden - Public Food Wall

Submitted by [AA](#) [1] on 4 November, 2014 - 15:26

One of the World Design Capital 2014 (WDC2014) signature projects, City of Eden's Public Food Wall, is an awareness-raising activation that challenges preconceived notions of where food comes from, how it is made, and how public spaces can be used more inclusively and productively. Imagine discovering an edible garden of paradise, hidden within a concrete jungle,...
