Bulawayo — THE Bulawayo City Council has resolved to repossess undeveloped housing stands that have been vacant for more than 20 years.

Most of the stands are located in the eastern suburbs of Mahatshula and Selborne Park.

The 150 housing stands were mostly issued between 1992 and 2008 and are yet to be developed.

According to the city's by-laws, land developers have two years to develop the land before it is repossessed by the local authority.
