

South Africa - It Could Be a Long, Hot Summer of Protest

Submitted on 20 September, 2011 - 20:12

On Monday thousands of residents in Tembisa took to the streets to demonstrate primarily against the high price of electricity. They were swiftly dealt with, forcefully, politically and temporarily, but not before giving us some insight into what promises to be a long, hot summer of service-delivery protests. By PHILLIP DE WET.
