

## **UCT student awarded Corobrik's Most Innovative Final Year Landscape Architecture Award 2017**

Submitted by AA News Network on 20 March, 2018 - 12:08  
SOUTH AFRICA

Louise Brukman wins Corobrik's Most Innovative Final Year Landscape Architecture Award 2017. Following the Knysna fires of 2017 that nearly destroyed her family home, former University of Cape Town master's student Louise Brukman was inspired to explore landscape architectural solutions that could prevent this kind of disaster.
