Mzuzu — President Arthur Peter Mutharika has assured people in northern region that his government is geared to start the construction of Mzuzu International Airport in January, 2018.

President Mutharika was speaking Saturday evening at Katoto Roundabout on his arrival in the region where he is expected to carry out a number of official duties.

Mutharika said it is the wish of his government that Mzuzu City should have a modern international airport, saying it will open up the northern region.
